Certificate of Completion

This certifies that Demo Student

has successfully completed

Flood Cleanup Awareness Fraining

Focusing on the hazards associated with cleanup and covery from a flooding disaster.

In Accordance With Federal and State OSHA Regulations

Hazards discussed include: General Cleanup, Flood, Electrical, Fungi, Fall, Tree trimming and Chaincaw Hazards.

Workers must receive additional training, when required by OSHA standards, on the specific hazards of their job. This training should target the company's site-specific equipment, health and safety policies, and emergency procedures.
